GAME

MECHANICS

1

You all will be given a sheet of paper where you have to write down your answers.

2

There are two rounds in today's word games.

3

Both the rounds are connected and a major hint to solve the next round lies in the answers of the first round.

4

The first round is LITERARY DUMBCHARADES.

5

The second round is based on puns, rebuses and riddles where you have to guess the word/phrase.

6

There is a final answer that you have crack by the end of the second round by connectig all the dots.

7

5 teams will go to the second round after the culmination of the first round.

8

so, ALL THE BEST everyone!
